How Stories Work

Preserve your memories in 4 simple steps

1

Record a Memory

Tap the mic and share a story, recipe, or life advice.

2

Add Photos

Choose pictures to bring your story to life.

3

Generate a Video

Pick an art style and we will create a beautiful video.

4

Share with Family

Send the video to your loved ones in one tap.

Listening...

"Today, I am going to share about how I got caught stealing a mango from a farm. Me and 3 of my friends- Changu, Mangu and Chintu, were going to our school, when on the way we saw tree with very luscious mangoes, and we all had the same thought. But the problem was, the guy owning that farm was very sulky.."
